

## **Contractor Needed**

The Mississippi State Department of Health, Children's Medical Program is seeking to fill a contract position for an Individual Physical Therapist **or** Occupational Therapist for Children and Youth with Special Health Care Needs (CYSHCN). The Therapist will work both independently, as well as part of the CMP clinical team to provide continuity of care and specialty care coordination to patients statewide. Patient ages range from birth to age 21. You must have a current license, and at least two years experience working with CYSHCN, their families and Pediatric sub-specialty physicians, including, but not limited to the fields of Orthopedic Surgery, Neurosurgery, Urology, Neurology, Plastic surgery (Craniofacial) and Physiology. All licensures and credentials must be verifiable and acknowledged by the State of Mississippi. Travel is required throughout the state. For further information including salary, travel reimbursement, exact location and instructions on how to apply please contact:

Children's Medical Program
